

Transcript of the New Aging and Adult Services HICAP Video

Are you a Medicare beneficiary? Does Medicare confuse you? Do you need help understanding Part D and assistance to lower prescription costs?

HICAP, the Health Insurance Counseling & Advocacy Program at Kern County Aging and Adult Services can assist you.

Our free services are designed to help Medicare beneficiaries understand their benefits and how to access them.

Sometimes we all need a little help and HICAP is the local, familiar face in the community.
