Brian Van Wyk, Deputy County Counsel, provided an update on the proposed revisions to Civil Service Rule 1800. He informed the Commission that the first monthly meeting with Commission staff and Human Resources Division staff was held recently. Mr. Van Wyk, Mrs. Murbach, Commission Secretary, Devin Brown, Chief Human Resources Officer, Keri Pharris and Eric Bisnett, Deputy Chief Human Resources Officers, and Kendra Graham, Chief Deputy County Counsel, attended the meeting. He explained that County Counsel would provide some input in the proposed changes to Civil Service Rule 1800. Once the proposed revisions are finalized, they would move forward with the meet and confer process, and present a final version for approval to the Commission in the near future.

Vice President Agbalog asked when the County Counsel recommendations would be ready for the Commission’s review. Mr. Van Wyk reported they would be ready by the next meeting. Vice President Agbalog thanked everyone for working to put these revisions together and explained he did not have an opinion until the final version of the proposed revisions are ready.

Commissioner Rose thanked Mr. Van Wyk and stated she was delighted County Counsel would put forth their ideas and recommendations, but also had no opinion until all data is gathered.

Commissioner Holt thanked all who are working on this project. He noted that the forty-five days allowed for the formal investigation were changed to sixty days and asked the reason why it was changed. Mr. Van Wyk explained that the second draft includes the new proposed revisions from HRD. He stated that these working drafts were intended to give the Commission a full idea as to what is being considered. Commissioner Holt asked if the timeline previously
mentioned was still being considered and Mr. Van Wyk explained he was planning to include it in the final version.

Commissioner Rose asked if the calendar days mentioned in the investigation timeline were calendar days or working days. Mr. Van Wyk explained they are business days.

President Price thanked staff for their work and stated he would like to see these proposed revisions finalized with as little delay as possible. Commissioner Rose made the motion to receive and file the report and Commissioner Holt seconded the motion.

5. Commission Secretary Monthly Report
Mrs. Murbach reported that the first monthly meeting with HRD was a productive meeting and looks forward to meeting with them on a monthly basis.

Mrs. Murbach informed the Commission that Item 12a included an email, which was filed with the Commission office by Perla Davis, employee with the Department of Human Services. Ms. Davis contacted Mrs. Murbach and requested to submit her email as part of the Commission’s record.

President Price asked if a motion to receive was necessary and Mr. Van Wyk informed the Commission that it was not required.

Vice President Agbalog asked if a search had been conducted under Ms. Davis’ maiden name as she mentioned in the email and asked if the investigation had been completed. Mr. Brown explained that the investigation was completed and findings and recommendations were provided to Ms. Davis and she had filed a request for an evidentiary hearing. That information was transmitted to Commission Secretary, Mrs. Murbach. Mrs. Murbach informed the Commission that she had received the request for an evidentiary hearing earlier today and would be placing the matter on the March 11, 2019 agenda.

Mr. Brown stated that, in this particular case because of the issue with the email, HRD asked Ms. Davis to waive the informal investigation process and they initiated a formal investigation immediately upon learning about her complaint. He stated the timelines were met under the circumstances.

6. Human Resources Division Items/Report:
Mr. Brown reported that HRD did have a productive meeting with Mr. Van Wyk and Mrs. Murbach on February 4, 2019. The main point of discussion was rule 1800. He stated it would be helpful in the future to exchange proposed revisions ahead of time in order to have a full discussion. He reported that Ms. Graham, County Counsel, is interested in putting together the best version of this rule. He stated that some things have not been considered since the HRD was formulated regarding how investigations are conducted, who has the opportunity to object to findings and recommendations, and whether or not a hearing should be a part of the process at all. At the same time, HRD has been meeting with the labor unions over its proposed respectful workplace policy, which will go in the County Policy and Administrative Procedures Manual. The proposed Respectful Workplace Policy will replace the sexual harassment, hostile work environment, and discrimination policies in the manual. They are having discussions with SEIU over the proposed
policy to get their input and suggestions. That policy and the rule largely mirror in process to make sure employees have a clear expectation of how their complaints will be investigated by the county. In addition, HRD provided Mrs. Murbach and Mr. Van Wyk a spreadsheet in which HRD tracks their complaint investigations. HRD will provide this at the monthly meetings so that they have status on the investigations if needed by the Commission. He reported that all investigations are up to date and meeting the timelines within CS Rule 1800. He thanked HRD staff, Eric Nisbett, Michael Goulart, and Brenda Villanueva, who have been diligently working hard to investigating employees’ complaints and timely submitting their findings and recommendations to the employees and the departments that employ them.
