8. **Classification Deletion(s):** The following classification(s) resulting from corresponding actions presented to the Commission on this Agenda. **APPROVED; Ro/Pr – 3 ayes/2 ab**

a) Wound Ostomy Continence Nurse, Item No. 1972

9. **Director of Personnel Items/Report of Closed Session Actions:**

- There were 8 Closed Session items during the Regular Meeting held on March 10, 2014. The reportable actions taken on those items are listed in the public minutes of that meeting.

- On March 24th we hired our existing Extra Help Office Services Technician, Adriana Komin, as a probationary Office Services Technician. Adriana, who is bilingual, has been with our department since December and is doing a wonderful job staffing our front lobby. She has been most helpful in teaching potential applicants how to use our new Applicant Tracking System.

- Introduced Patricia Edwards, the newest Fiscal Support Specialist. Patricia is assigned to the unit of Fiscal Support Specialists which are collectively responsible for processing Notices of Employment; personnel status changes; maintenance of the salary ordinance and position control, payroll corrections; out-of-class pay; catastrophic leave; certification of eligibles to operating departments; and administration of the County Drug & Alcohol and Service Award programs. Patricia was promoted from Mental Health.
Two employees celebrated significant milestones in their careers this past month: Senior Personnel Analyst Debbie Rodriguez has been with the county for 20 years, and Fiscal Support Specialist Judy Beggs celebrated 25 years with the county.

Last week we submitted our budget request for FY 2014-2015. As reported last month, our Net General Fund guideline for this coming fiscal year is $2,496,974, which is a reduction of 5% from our General Fund allocation for the current year. We were able to absorb all operating cost increases within our proposed budget by reducing expenditures in other areas and only budgeting for one potential retirement. We also submitted an additional 6% step down budget which would require the layoff of two employees: one Office Services Technician and one Fiscal Support Specialist. Overall reducing our Department of 21 permanent positions by 2 will reduce our ability to provide quality customer service to both the County and the public. It is hopeful that the Board will approve our budget as submitted at the reduced guideline and that they will not implement additional reductions that we are unable to absorb without the layoff of staff.

Regarding the results of the onsite compliance review of the Kern County Personnel System conducted by Merit Systems Services at the end of 2013, overall the review noted that the County operates a sound personnel system. The onsite review team found only one shortcoming in the County’s Equal Employment Opportunity reporting of utilization of protected groups, however, this was corrected and an updated utilization analysis was distributed to County officials and department heads in December 2013. A copy of the utilization analysis was also placed on our public website. An area of the report that she brought to the Commission’s attention were additional comments made by the review team related to the County’s basic framework to support the personnel system which include:

1. Inconsistencies in human resource policy or practice which are a result of the Personnel Department having responsibilities for some areas, while other responsibilities are held by other administrative divisions and/or the operating departments. Examples include dissemination of policies to employees, general training, Equal Employment Opportunity Program training, and performance management including the monitoring of timely submission of employee performance reviews.

2. The review team noted that the staffing of the Personnel Department is quite lean. While noting that our department does not have the responsibility for all human resource functions as is found in most other California counties, the ratio of Personnel Department staff to the number of employees employed by the county is substantially outside the norm observed in local government. The review team also noted the vacancy in the employee relations division in the
County Administrative Office which left one deputy employee relations officer primarily responsible for labor relations and countywide training.

3. Due to budget reductions there has been limited training and development opportunities for Personnel Department staff. Since receiving this report, we have been able to schedule several days of training for our staff on topics such as Job Analysis, Classification and Compensation, and Testing and Measurement. These courses will be provided to our analysts and EEO Officer in May and June of this year.

10. **Commission Member Presentations or Announcements:**

Commissioner Rose announced she will be visiting Animal Services.

Commissioner Rose requested that the importance of policies and procedures be addressed in an upcoming meeting with Departments. It is their responsibility to ensure they are current and signed by the employee.

Commissioner Rose also wished to publicly thank the staff of the Personnel Department for the exceptional outstanding they perform under the constraints placed on them.

11. **Adjourn to Closed Session:** At 5:47 p.m., the Commission adjourned to closed session to consider the appointment, employment, evaluation of performance, discipline or dismissal of public employees and/or to hear complaints or charges brought against employees by another person or employee

**CLOSED SESSION (Government Code § 54957)**

12. PUBLIC EMPLOYEE – Discipline/Dismissal/Release
Office Services Technician (Public Health) – Case No. 2014-0028; GABE GODINEZ AND MARGO RAISON HEARD; **HEARING DATES SET FOR JUNE 17, 18, 19, 23 AND 24, 2014**
