8. **Director of Personnel Items/Report of Closed Session Actions:**

- There were six Closed Session items during the Regular Meeting held on April 28, 2014. The reportable actions taken on those items are listed in the public minutes of that meeting.

- Applicant Tracking System; 1st Quarter Update

  ✓ One quarter, or 13 weeks into going live with NeoGov, we have received 7,624 applications: 7,553 of which were submitted on-line, which is just over 99%. At the end of the first quarter if these numbers continue we would be looking at an annualized total of over 30,000 applications.

  ✓ Also in the first quarter of NeoGov operations, we opened 98 recruitment examinations; or about 7.5 a week on average. The number of eligible lists established during our first quarter was 51, with a total of 691 candidates on those lists. Of the 691 eligibles, 276 candidates have been certified out to the departments.
Under NeoGov, we have scheduled 41 written exams, 14 oral exams and 7 performance exams. Of those exams, over 1600 applicants have participated in a written exam, 62 applicants have participated in oral exams and 68 in performance exams. Overall, 1,730 applicants have participated in at least one (1) exam component.

Previously, she was asked by the Commission to explore the possibility of having a joint meeting between the Board of Supervisors and the Commission as we have had three times in the past: April 2007, April 2008 and May 2011. She learned that these meetings were held to discuss specific issues that needed joint consensus at the time such as the Strategic Workforce Planning Taskforce recommendations that required Board approval (2007); policy recommendations by the Strategic Workforce Planning Taskforce (2008); and proposed ballot measures put forth by the Personnel Department Head Subcommittee (2011). No need exists for joint consensus at this time, but may come up again in the future. Her suggestion to the Commission was that they consider providing a short presentation to the Board on the Personnel Department’s Annual Report for FY 2013-2014, which should be completed in the Fall of 2014. The CAO’s office concurs with this suggestion.

9. **Commission Member Presentations or Announcements:**

Commissioner Thorn announced this would be his last meeting as he is resigning from the Commission. He wished to thank all Department Heads, Personnel staff and County Counsel for all their hard work.

Commissioner Prince thanked Commissioner Thorn for his many years of service. He stated he has done a great job and brought a unique perspective.
