   0840 1 Administrative Coordinator R. 58.6 4042-4934

   **TO**

   No Change

Devin Brown, Employee Relations Officer, informed the Commission that the Fire Department and Human Resources Division received a request for reclassification from employee, Deborah Johnson. Human Resources staff conducted a desk audit and reviewed the work of the employee to determine whether or not she was performing work of the current position or if the job duties had changed that it no longer fit the current specifications. Upon completion of the desk audit, Human Resources Division staff made the determination that Ms. Johnson was performing within the scope of the duties of her current classification of Administrative Coordinator.

Ms. Johnson provided the Commission with a binder of information with examples of special projects she felt were outside the scope of her current classification of Administrative Coordinator. She contended that since 2009, she has consistently performed the duties of a Project Manager. She informed the Commission that her work duties changed dramatically at exactly the same time her request for reclassification was filed. Ms. Johnson concurred that she has currently been performing Administrative Coordinator duties for the past six months.

Commissioner Prince asked Ms. Johnson if she had provided her concerns to the department. Ms. Johnson stated she did but has yet to receive a response.

Devin Brown informed the Commission that the Human Resources Division did not receive a copy of the binder presented to the Commissioners. The Analysts that performed the desk audit were not given the opportunity to review the information.

Debbie Rodriguez, Analyst, informed the Commission that Ms. Johnson does not meet the minimum qualifications for the requested position of Project Manager.

Chief Brian Marshall stated at the time the request for reclassification occurred, there was considerable turnover in the department that resulted in a departmental reorganization. There were competing interests within the department as well as a significant budget issue. Ms. Johnson had been informed of these issues. Chief Marshall stated that the Fire Department supports the Human Resources Division’s recommendation.
A motion was made by Commissioner Agbalog to table this item to the December 14, 2015 regular Commission meeting. He requested Human Resources Division staff to review the binder to ascertain if there is any information that would affect their initial recommendation.

7. Proposed elimination of Civil Service Rules 800, 1100, 1800, 1900 and 2100. **TO BE PLACED ON DECEMBER 14, 2015 REGULAR MEETING AGENDA FOR SECOND READING.**

8. **Human Resources Division Items/Report:**

   Devin Brown announced a Department Head memo was issued regarding online requisitions. This new process will make it easier for departments to enter requisitions. All departments have been trained on this new process. This is the last week that paper requisitions will be accepted.
