"The Fourth District is very large and includes six cities and many unincorporated communities. This can make it difficult for residents to visit my staff and me in our main office. My team will be on hand at our district offices in Delano, Shafter, and Lamont to better serve and assist Fourth District residents. I will also attend these office hours as much as possible. These office hours will make it more convenient for residents to receive assistance and discuss public services such as veteran's benefits, public safety, road maintenance, and public assistance programs. If residents are unable to make the scheduled office hours, we will make every effort to meet at a time that is convenient for their schedule." –Kern County Supervisor David Couch
