

TECHNOLOGY CERTIFICATIONS

The Kern County Human Resources Division has authorized Bakersfield College to administer exams and to issue certificates verifying proficiency in information systems or programming and systems analysis and design. These certificates meet the County of Kern certification employment standards for Information Systems Specialist III and Systems Analyst I. If you pass the certification exam, you will receive a certificate by mail. The following information is provided for your use in making your appointment for examination.

Contact: Bakersfield College
Phillip Whitney at
pwhitney@bakersfieldcollege.edu
