

DEPARTMENTAL POSITIONS AND SALARY SCHEDULES

STANDARDZED SALARY SCHEDULES.

This standardized schedule hereby fixes the rates of compensation applicable to all positions in the county service which are on a five step rate of compensation within the step levels. The numerals in the first column of the schedule, under the words "Range No.", indicate the designation of a particular hourly rate of compensation for Step A, the first step of the five steps of the bi-weekly salary range set forth in the schedule. The rates of compensation, to wit, the number of dollars payable on a bi-weekly basis for the range number so designated, are set forth in the columns under the heading "Bi-weekly Five Step Rates, "A" through "E", for all positions which are on a five step rate of compensation. The numbers in the column under the heading "Approx Monthly Equiv A-E" indicate the approximate minimum and maximum equivalent on a monthly compensation basis for the range number designated.

BI-WEEKLY FIVE STEP RATES. The "Standardized Salary Schedule" is as follows:
